SHORT FILM FESTIVAL

04
edition
S. SERVULO, VENEZIA

7 — 8 — 9
September
2023

An underwater photograph of a person, likely a child, wearing plaid shorts. The person is positioned on the right side of the frame, with their legs and torso visible. They appear to be floating or swimming in deep, dark blue water. The lighting is dramatic, with light rays filtering down from above, creating a shimmering effect on the person's skin and the water's surface. The overall mood is serene and mysterious.

04 EDITION.

An underwater photograph with a dark blue, monochromatic palette. On the left, the lower half of a person is visible, wearing dark swim trunks with a plaid waistband. Their right arm is extended upwards and slightly to the right. Below them, another person is seen from the side, swimming or floating with their arms outstretched. The water is dark and slightly grainy, with some light reflecting off the figures.
