"IL CINEMA È LA VITA SENZA LE PARTI NOIOSE."

Alfred Hitchcock

In un mondo che cambia velocemente, il cinema diventa uno spazio per fermarsi e riflettere.

ONA nasce anche dal desiderio di creare coscienza: ogni storia porta con sé un messaggio, è il nostro impegno è che quel messaggio dialoghi con il futuro del pianeta. Crediamo che la sostenibilità non sia solo una scelta, ma un atto di responsabilità collettiva, un modo di vivere, creare e condividere.
